- DCF and CLS Employees - No charge
- UF Faculty, Residents and Students—No Charge

Those qualifying for free registration should use their work-related email address to register. Lunch will be provided each day.

CME Credit Statement

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Florida AHEC Network and the University of Florida College of Medicine Jacksonville. The Florida AHEC Network is accredited by the Florida Medical Association to provide continuing medical education to physicians.

The Florida AHEC Network designates this live activity for a maximum of 12.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

No Planners or Presenters have any relevant financial disclosures. Dr. Mark Hudak will be discussing the off-label use of opioids and other drugs to treat neonatal withdrawal.

CE Credit Statement

Suwannee River Area Health Education Center, Inc. is a Florida Board of Nurses, Social Work, Marriage and Family Therapy and Mental Health Counselors approved provider of continuing education, CE Broker provider ID #50-1922. This program meets the requirements for up to 12.0 contact hours. Suwannee River AHEC is also approved by the Florida Certification Board to provide 12.0 Child Welfare Certification hours for this program. The certification number is 5222-SE. SRAHEC will send official CE/CME certificates to participants after the conference.

Accommodations

The conference will be held just south of Jacksonville at the Hammock Beach Resort, 200 Ocean Crest Drive, Palm Coast, FL 32137. A block of rooms has been reserved at a special rate of \$129.00 per night, plus tax, in the lodge building with an ocean view (limited rooms available) and \$179 per night, plus tax, for a one bedroom suite with an ocean view in the main tower. Reservations may be made by calling (877) 834-8862 and providing the group name "UF Child Abuse & Neglect Conference" for the special rate.

Information on less expensive accommodations in the area is available at the AHEC registration site given above.

Objectives

This program will focus on the medical aspects of child physical abuse, sexual abuse and neglect. It will provide an understanding of the mechanisms by which injuries are inflicted and the scientific basis for medical determinations as to whether abuse has or has not occurred. Those who would benefit from participation in the program include:

- Physicians
- Nurses
- Social Workers
- Law Enforcement Personnel
- Attorneys
- Guardians ad Litem

The roles of all the members of the investigative team in gathering and sharing information to arrive at appropriate conclusions will be stressed.

Please note: Some of the material presented will be graphic. Such content is necessary to present all the information relevant to a full understanding of the medical aspects of child abuse and neglect.
